

## Fiscal Year 2018 Donors (July 1, 2017 – June 30, 2018)

### *Our Sincere Thanks to Our Donors!*

We are grateful and appreciative to every one of you for your contributions, large and small. This past fiscal year alone, NMF received charitable gifts from over 3,800 individuals, organizations, agencies and others, totaling nearly \$4.2 million.

Please know that your donations to the Foundation or any of its component funds are making a difference in the quality of the places in Northwest Minnesota – making the region a better place to live and work.
