EVERETT WILIMEK ORCHESTRAL STRING SCHOLARSHIPS Two \$250 Scholarships Available

The Everett Wilimek Endowment for Orchestral String Studies was established by his family to honor his memory, his long-time love of music and his dedication to young musicians. Each year the fund provides scholarships for young people from the Bemidji area, ages 8-15, to study violin, viola, cello or bass, including but not limited to costs for lessons, training, and instrument rental.

Two \$250 scholarships will be awarded. Please help us identify students for whom this scholarship would be appropriate. This scholarship has been offered since 2005 and we would like to make sure that we reach as many prospective students as possible. Thank you so much for your help.
